QUIZ BOWL

Final Results for the 2021 Ithaca Fall Invitational

Ithaca Fall Invitational Quiz Bowl Results.

The Ithaca Fall Invitational was a great success for the Bishop Ludden Quiz Bowl program. The team is completely rebuilding following the 2021 graduation of the entire A and B teams who captured the 2021 NY MasterMinds State title and finished seventh at Small School Nationals.

"We returned to live play for the first time in 19 months", explained Coach Maxine Babcock. "Our goal for this tournament was to get experience. Only a few players have had live play experience prior to Ithaca. We lost more than a full year of recruiting and had only remote tournaments in 2020-21."

Bishop Ludden's Team D, starring sophomores Peter Smith, Zander Craner, and Julia Smith, along with seventh grader

Sophia Azria took seventh place with a final victory over Bishop Ludden A in the championship rounds. Peter took the third-place individual prize and finished second out of 65 players with 565 points. Peter was also the top scorer in the final round in the championship rounds. Zander logged 90 points, Sophia scored 20, and Julia added 10 overall. Zander hadn't played since 2019, while Sophia and Julia were playing for the first time ever.

The A Team of seniors ended up eighth in the championship rounds and featured senior captain Patrick McGinn Hammer taking the fifth-place individual prize. Pat scored 415 and John Michael Owens scored 25. Mark Collins notched 170 and Andrew Janowski added 80. An impressive feat since this was their first time playing the game. Both the B and C teams had victories. The B team starred juniors Ryan Brady, Isaiah Apps, Brigid Hardick, Jon

Daher, and Paul Owens. Ryan was the ninth leading scorer in the tournament with 255 points, Isaiah scored 70, Paul had 145, and Brigid scored 35. The eighth graders on the C Team improved all day with victories in both the qualifying rounds and consolation play and were ahead of top finishing teams in several matches. Momin Naveed finished 22 overall with 170 points, Olivia Smith scored 85, Payton Campbell had 65, and Gabriella Berry added 15.

Special thanks to parents John Craner, Daniel Smith, and Cheryl Hardick who helped drive and coach. The History Bowl in Buffalo was next, held on December 4. The junior high players have the online Ho Ho Ho tournament in Texas TQBA Houston Holiday Hoedown XIII) on December 11. The STEM Club focus shifts to Science Olympiad and Robotics for the winter season.

Clockwise, from top left: Our wonderful parents!, the D Team, Patrick McGinn Hammer, and Peter Smith.

INSIDE LUDDEN

Unsung heroes

Photo by Dave Mason

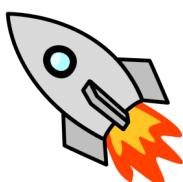

On the first day of snow last month, the Ludden student parking lot was already plowed and ready to go. Custodians Joe and Tom were outside with snowblowers and hand shovels clearing the sidewalks. Their work does not go unnoticed. They never shy away from any job that's asked of them. Thank you for all you do to make our school run smoothly!

Festival of the Trees

The Onondaga Free Library's "Festival of the Trees" is here! Bishop Ludden's Art Department creates an annual Christmas tree for their raffle at OFL. The trees will be on display in the lobby until Dec. 11 when the drawing will be held. By visiting the library's page, you can see the other trees. In addition to creating a festive atmosphere in the library, our donation supports the many projects of the library provides.

Ludden's Rocket League teams close out

fall season of eSports

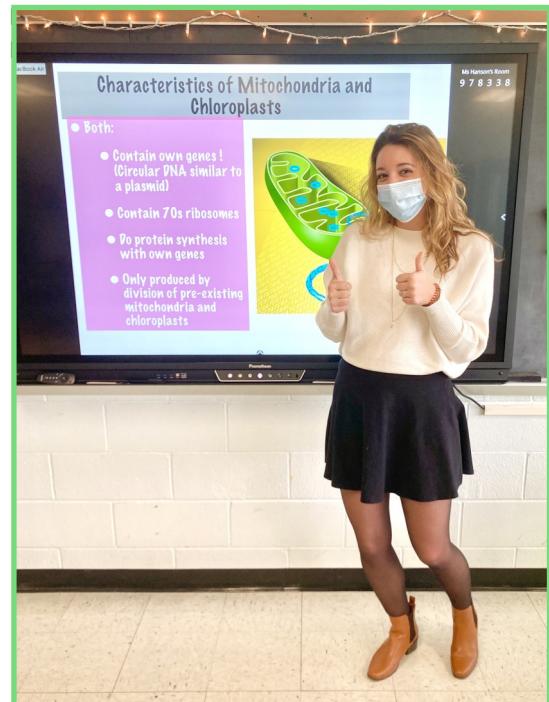

Bishop Ludden's Gaelic Sentinels ended up #25 overall in New York Rocket League. They beat the Fontbonne FH Bonnie's Gray 15-0, 9-0, 12-0 to move to 12-9 for their regular season. Katie Nguyen scored 2, Mark Collins notched 14, Hayden Parkhurst added 8, while Ben Gentile blasted in 12.

BL Bronze ended up #43 in the state with an 8-15 record. The team featured seniors John Michael Owens, Andrew Janowski, and Anderson Corriero, along with junior Paul Owens.

The BL Emerald Knights ended up 5-18. Peter Smith, Anthony Taylor, and Isaiah Apps started, while Zander Craner and Isaiah Patterson filled in when sports allowed.

Coach Maxine Babcock and Assistant Coach Isaiah Horne will be handing off the program for the Spring Season.

Ludden installs new Promethean boards

They are essentially interactive whiteboards that connect to a computer, allowing teachers to project and interact with images on the screen. The kids love them, says Ms. Hanson, noting her lessons are very interactive because of the board.

"I am able to show videos in great quality and present slideshows in a fun way. It also works as a white board for me to draw diagrams," she said.

Other teachers benefiting from the boards are Mr. Colabufo and Mrs. Fink.

Make it POP!

The art students are studying POP art and learned about Andy Warhol. They are using tempera paint to create paintings of candy wrappers. This is a lesson that really makes them use their observational skills and calls attention to detail.

PARENT PERSPECTIVE

Meet Marjie Burkhart, parent of two Ludden alums

Marjie's daughter, Valerie, graduated from Bishop Ludden in 2017. Her son Kevin Burkhart graduated in 2019.

Why did you choose Bishop Ludden for your children?

We chose Bishop Ludden because after attending a school tour, it was the school that made the kids feel most comfortable. The academic program is strong, and the administration is committed to student guidance. There are plenty of extracurricular activities enabling them to participate in their current interests as well as gain access to new interests. I felt my children would be guided by adults that truly cared about their well-being as they prepared them for life after high school.

What's the best feedback you've received from your children about their time at Ludden?

Both of my children have told me they would not be who they are today if not for their experience at Bishop Ludden. Kevin says, "*Bishop Ludden sets you apart from other high school students. It shines light on what is truly important in life. Bishop Ludden's long traditions give students a strong sense of community that you then take into your future experiences.*" Valerie says, "*My teachers at Bishop Ludden encouraged me to accomplish the things I did not think I could accomplish. I gained the skills necessary to know that struggling was just part of life and that overcoming those struggles gave me a stronger sense of self-worth.*"

What do you love most about Ludden?

The thing I love the most about Ludden was the comfort level it gave my children. I believe when a young adult feels comfortable and trusts their surroundings, they are less hesitant to try new things, ask for assistance when needed or simply become more involved in other aspects of the school as well as the community.

In what ways have you seen your kids grow personally and academically over their years here?

Both of my children attended Bishop Ludden for six years. In that time, I watched their personalities develop into friendly and approachable young people that others were happy to be around. The friendships they made then are strong today. Academically, I watched teachers and administration members encourage them to step out of their comfort zone and strive to be the most they could be. They were taught the importance of maintaining strong academics, becoming involved in community service and respecting others.

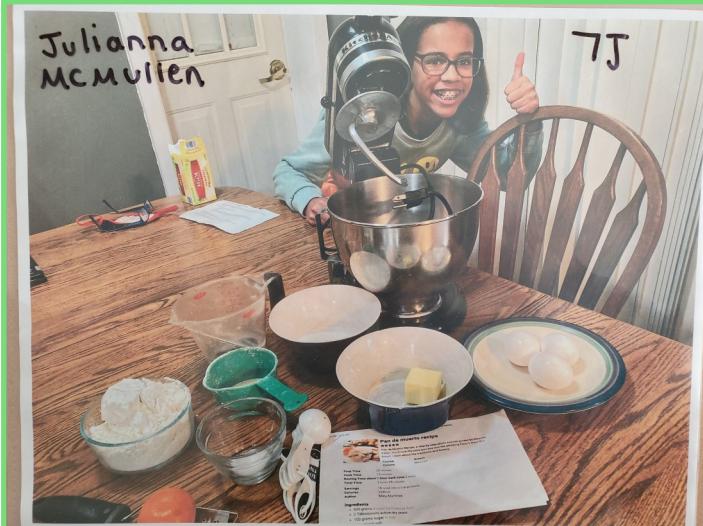

What would you say to families thinking about enrolling their child at Bishop Ludden?

I believe the first concern families have about enrolling their children at Bishop Ludden would be the cost. I can say from experience the benefits far out-weighs the cost. When I see how my young adult children have adjusted to life after high school, I know the sacrifice was well worth it. Through academics and community service, Bishop Ludden instills a sense of confidence and empathy in their students that is incomparable. Bishop Ludden prepares their students to handle life challenges as well as embrace their successes in a humble manner. The community service skills the students acquire encourage them to have compassion for others and appreciate the blessings they possess.

Celebrating El Dia de los Muertos

In November, Ms. DeGaetano's students in Spanish 1A and 1 learned about El Dia de los Muertos. They were offered the option of completing an extra credit project that demonstrated what they learned about this Mexican holiday.

Some students made Pan de Muerto, the traditional bread eaten during Dia de los Muertos. Other students made their own "altar" to honor the memory of a loved one, in the style of the altars that are made in Mexico during Dia de los Muertos.

The students got really into it and did a terrific job!

RELIGION

“F

or to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. 7 Of the greatness of his government and peace there will be no end. He will reign on David's throne and over his kingdom, establishing and upholding it with justice and righteousness from that time on and forever. The zeal of the LORD Almighty will accomplish this.”

The Spirit of Christmas

Catie Keegan wears her Christmas mask, one of the first to be seen this season!

A Christmas Prayer

Lord, in this holy season of prayer and song and laughter, we praise you for the great wonders you have sent us: for shining star and angel's song, for infant's cry in lowly manger. We praise you for the Word made flesh in a little Child. We behold his glory, and are bathed in its radiance.

Be with us as we sing the ironies of Christmas, the incomprehensible comprehended, the poetry made hard fact, the helpless Babe who cracks the world asunder. We kneel before you shepherds, innkeepers, wisemen. Help us to rise bigger than we are. Amen.

SCRIP PROGRAM: GIVE A GIFT CARD AND EARN MONEY TOWARD TUITION!

Do you shop at Target? Walmart? Amazon? JCPenney? Marshalls? Kohls? Barnes & Noble? Do you eat at Applebees? Olive Garden? Panera Bread? Cheesecake Factory? Subway? Dunkin' Donuts? Are you planning a big home improvement project with Lowe's or Home Depot? How about making vacation plans with Airbnb? American Airlines? Hilton Hotels? Carnival Cruise Lines? Disney?

SCRIP gives you the opportunity to earn credit towards your student's tuition when you make your normal purchases from hundreds of retailers

So, how does it work?

Think of it as substitute money. When you purchase a SCRIP, you're purchasing a normal gift card to use just like cash. But with every card you purchase, you're earning money back towards the cost of tuition at Ludden. SCRIP cards can be used for groceries, clothing, gifts, gasoline, vacations and more! Extended family and friends can also order through your student, earning your family even more credit toward tuition!

How does buying a SCRIP generate revenue?

You order your SCRIP gift cards through the school and pay full face value for them. Bishop Ludden is able to buy SCRIP from hundreds of local and nationwide retailers through the Great Lakes Scrip Center at a discount. The discount, which varies from 1.5% to 25%, is returned to you as tuition credit for the following school year.

For example, if you purchase a \$50 gift card from a retailer that is offering a 10% discount, you have already saved \$5 on next year's tuition bill.

If you're planning a shopping trip to Target or a dinner at Cheesecake Factory, plan ahead and shop with SCRIP! Earn money back in the process — it really adds up. Families have earned hundreds of dollars towards their tuition bills.

How do I order SCRIP?

Download and complete an order form. There is a one time \$20 set-up fee paid annually, which covers shipping costs. Send the order to school with your student on the due date (always on a Monday) and the rest is up to our SCRIP coordinator. Your SCRIP order is returned to you or your student at school the Friday of the same week.

If you will not have a student enrolled at Bishop Ludden next year, the rebate amount will be donated to the Ludden Fund.

IN MEMORIAM

Brian H. Farrell, BL alumnus, class of '81

Brian H. Farrell, 58, of Camillus, passed away on Tuesday, September 14, 2021. Brian graduated from Bishop Ludden High School where he was an outstanding athlete in football and lacrosse. While on football scholarship to Canisius College, he earned a Bachelor's Degree in Marketing Management. Brian worked for Euchner USA, Inc. as the Regional Sales Manager and Safety Product Engineer. He was a life-long participant in several professional organizations including the Control and Automation Community, Industrial

Robotics Org., Automation Sales Engineers, and the Canisius College Alumni Association.

Brian enjoyed traveling for work, family vacations and creating culinary specialties for his beloved family and friends. He was very engaged in the West Genesee Hockey community for over 15 years and rarely missed a game. Brian was a tremendous animal lover and cherished his two dogs, Frank and Daisy dearly.

He was predeceased by his parents, Mary Alyce and George Farrell of Syracuse. He is survived by his wife of 27 years Jackie,

two daughters, Rachele (Mike) Fattaruso of Cedar Park, TX and Alexis of Syracuse, and his two sons, Derek and Jacob, both from Syracuse and grandson Nolan. In addition, Brian's surviving brothers, include David (Nancy), Greg (Lorna), Mark (Kathi) and Kevin (Kim) along with numerous nieces and nephews.

The family requests those who wish to express sympathy to consider making a donation to their favorite charity in Brian's name.

Please share condolences at edwardjryanandson.com.

Patrick John Boynton, BL alumnus, class of '87

Patrick "Pat" Boynton was a dear friend, beloved father and respected member of his community. Pat passed unexpectedly in his home in Hawaii on Saturday Oct. 30, 2021 at the age of 52.

Born to Nancy and the late Henry "Hank"

Boynton, Pat was a skilled hockey player and notorious for his sense of humor. After graduating Bishop Ludden High School, Pat joined the Syracuse Police Department where he rose to the rank of detective serving his community. He received many awards and accommodations for his actions over the years and was deeply respected by his peers. Pat spent his retirement

appreciating nature and learning to play the guitar. Everywhere he went, Pat made a positive impact on those around him.

Survived by his two sons and their mother, his two brothers and his mother Nancy, Pat was loved will be missed dearly. A celebration of life ceremony will be announced at a later date. Please sign the guestbook at syracuse.com/obits.

There's HOPE for those grieving

HOPE for Bereaved offers support groups that cover many different forms of grief as well as one-on-one counseling—always free of charge.

Bishop Ludden Jr-Sr High School

Where Character, Commitment And Community Come Together In A School For All

2021-2022 Annual Fund

Dear Friend,

As the new Principal at Bishop Ludden Jr/Sr High School, I am writing to you regarding an important matter to not only the continued success of our school, but more importantly the growth and advancement of Bishop Ludden through your support of The Ludden Fund.

The support we receive through The Ludden Fund is essential to offset the true cost of educating a student at Bishop Ludden. You see tuition, while a significant driver of revenue, accounts for only about 60% of our school's operating budget. Let's take a moment to look at revenue and expenditures as a percentage of our budget as well as the cost of educating a student at Bishop Ludden:

Budget: \$3.3 million

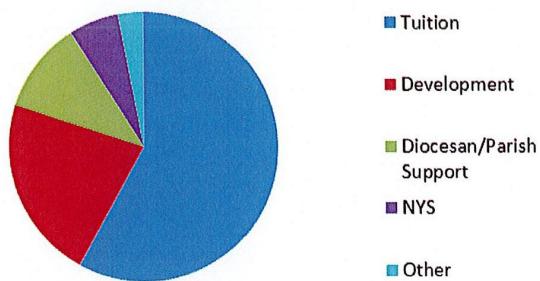

Enrollment: 270

Per Pupil Expenditure (PPE): \$12,200 (CNY PPE-\$24,139 NYS PPE-\$25,139)

Bishop Ludden Tuition: Jr. High (7&8): \$7,400 Sr. High (9-12): \$8,450

| Revenue (where the funding comes from to support our school) | Expenditures (where the funding goes to support our school) |
|--|---|
| Tuition: 58% | Salaries and Benefits: 75% |
| Development: 22% | Facilities and utilities: 12% |
| Diocesan/Parish Support: 11% | General and Administration: 4% |
| New York State: 6% | Athletics including transportation: 4% |
| | Instructional Supplies: 3% |
| | Miscellaneous: 2% |

Revenues

As a former public school administrator for many years, I always knew that Bishop Ludden was a very good school, however what I have come to learn since being appointed Principal this past June and learning about recent initiatives (International Baccalaureate Program, Capital Campaign, emphasis on technology) is that Bishop Ludden is on the cusp of greatness. I am honored to lead Bishop Ludden as we continue to strive to become the best Catholic college preparatory school in Central New York, however we can't do it alone. As you can clearly see, it costs more to educate a student at Bishop Ludden than the respective tuition covers; moreover 40% of our students receive financial assistance towards their tuition. In order for Bishop Ludden to continue to build on our success, to grow and develop our instructional and liturgical programs and attract the best and brightest teachers, we need your help. I ask you to please consider donating to the Ludden Fund and join us on our journey to greatness.

May God Bless
Michael McAuliff
Principal

Students Attending Bishop Ludden depend on your generosity. Donations to the Ludden Fund provide the support Bishop Ludden needs to remain a competitive viable private school choice in the Central New York Community.

Thank you for making a difference to the students of Bishop Ludden. Every dollar matters, to the academic, extracurricular, and faculty and staff success of our school community. Please consider supporting the Ludden Fund. Giving Levels are below:
