## Bishop Ludden Middle School makes Quiz Bowl Winter Roundup Playoffs

Top L-R: Anthony Taylor, Olivia Smith, Meghan Snyder. Bottom: Sophia Azria, Payton Campbell, Momin Naveed

**B**ishop Ludden's Middle School Quiz Bowl team has been on a positive trajectory all season. On Jan. 8, they played in the high school Yale Winter Invitational against some of the best high school teams in the country. Yale offered a free entry for the team and our BL middle school team got pounded 0-10 in games against teams like Phillips Academy (Exeter), Lexington, and Plano. The players got invaluable experience in preparation for their next event on Jan. 15's Texas Quiz Bowl Association's 2022 Winter Roundup Tournament, Lyft Division.

The team had a great opening game in the middle school Texas Quiz Bowl Tournament. In the 290-90 win over Beck B, Momin Naveed scored 120 points and Payton Campbell added 10. Anthony Taylor was the math king on computational math with 30 team points in the game. Basis McLean C swamped the team 400-45 in game 2. Bishop Ludden made a valiant attempt at a comeback against St John's B. Down 220-40 at the half, the team out-scored St. John's 150-90 for the 310-190 loss. Momin and Payton each scored 30 in the loss and Olivia Smith added 10. “The team never gave up in that game and they took that second half momentum into the next three games,” Coach Maxine Babcock said. “They went on to a three-game winning streak with games that came down to the final questions.”

Game four was the team's most thrilling of the year. It went down to the wire against St.

# Holy Family alum makes Top 10 at Winter Roundup

Bishop Ludden's Momin Naveed finished the TBQA Winter Roundup, Lyft Division as the #8 overall player. Texas has many of the best Quiz Bowl programs in the country, so the eighth grader did a fantastic job in only his fifth month of play. Momin notched 355 individual points as he captained the team in the Texas online tournament. Momin's other tournament tallies this year have included 130 points at the Yale Winter Invitational against top caliber high school players, 170 points in the TBQA HoHoHo against Texas's best middle school players, and 130 points at the Ithaca Fall Invitational against regional high school teams.

## Winter Roundup

### Playoffs

*From previous page*

Anne A. Bishop Ludden was behind 205-190 after question 19 out of 20. Anthony scored a power 15 on Question 20 to tie it; Payton clinched the thriller with the correct answer of "Abba" and ran the entire 30 bonus points for a 225-205 victory. Individual scores were 30 points for Momin, 10 for Olivia, 15 for Anthony, and 45 for Payton. Momin went on a three-question run to hold off Basis McLean B 265-195 in game 5. Olivia had a personal season high score of 25. Seventh-grader Sophia Azria powered in 15, while Payton added 10. Momin had 65. The team needed a victory against undefeated Washington International to make the playoffs. BL took the lead on question 10 and WI stayed tight until Meghan Snyder scored on question 17. Momin secured the win on question 19 for a 210-150 victory. Momin had 60 this game, Payton had 25. Bishop Ludden was taken out by Clark 465-135 in round nine of the single elimination playoffs. Clark took a six-question run to start the game to log an insurmountable 200-point lead. Bishop Ludden never quit and hung in to score 135 points in the 465-135 loss. Payton led the team with 30, Momin added 25, Anthony powered for 15 and Olivia added 5. The team finished in 11th place overall.

Every player scored in terms of individual points. Quiz Bowl has 20 tossup questions. Teams of four each buzz-in to try to individually answer the questions. Players who answer early (the power mark) gain 15 points. Correct answers after the power mark add 10 points. The first incorrect buzz-in before the end of the question causes negative five points. There is no penalty after the question ends. The correct team has a chance at three 10-point questions after each individual tossup. Players do not get individual credit for bonuses and they collaborate to answer each section. Strong players may never log individual points.

**Congratulations to all!**

# PERFORMING ARTS

February 2022

Dear Friends of the Bishop Ludden Performing Arts,

What a year! We hope that this letter finds you well and appreciating all of the little things after nearly 2 years dealing with the COVID-19 pandemic. We have all learned new ways to adjust to the changes in our world.

As many of you know, the Performing Arts Program at Bishop Ludden is quite amazing. Mr. P. has spent the greater part of his career at Ludden producing some truly exceptional performances. Even during the pandemic last spring, we took our performance of **"It's A Wonderful Life"** to the New York State Fair and performed on the Chevy Court stage. The picture above proudly displays that Ludden made history; our sign was up in lights for the entire city to see. It was an awesome experience and one our kids will never forget.

Today, we are faced with the reality that our sound system has seen its last show. It has had a great run, but a replacement is definitely needed. This is why we are reaching out to you today. We need **YOUR** help!

We set a goal of \$25,000 in the fall for a new sound system and to date...**WE HAVE RAISED \$16,500!!!**

We have been blessed that so many people responded to our letters and our social media requests.

We know in some way you have experienced the magic of the performing arts here at Ludden. As a student, whether it was your first time on stage or your first leading role, you remember that special feeling of belonging, working together as a team and developing skills that you are using today. As a parent or grandparent, you can still remember the moment when you could not believe your son or daughter's confidence and presence on stage. Working together, we can make a new sound system a reality for Ludden!

Let's not forget the man behind all of this - Mr. P. - currently doing five shows a year! One word - **WOW!!!**

We are grateful for any help that you can give us. Mark your calendars for March 18th & 19th - the spring musical will be **"The Wizard of Oz"**. Please feel free to spread the word to anyone that we may have missed.

With Much Appreciation,

The Bishop Ludden Performing Arts Committee

#### The Drama

Department has been fundraising to buy a new sound system. They have raised more than \$15,000 toward their goal of \$25,000. Mr. Pietropaolo heads the department.

On his mom's 92<sup>nd</sup> birthday, she let her family and friends know that she didn't want any gifts for her birthday. Instead, she asked her family and friends to donate to the Drama department's fundraiser. To date, more than \$600 has been raised in Mrs. P's honor. Many thanks to Madeline Pietropaolo and her thoughtful, selfless wish.

If anyone is interested in donating to the drama department in her honor, please send in your donation to Bishop Ludden, 815 Fay Road, Syracuse, NY 13219. In the memo field, please write in Madeline's name and for the Drama department.

## RELIGION

### Students raise money for Golisano, St. Lucy's

**Students sort donations for community non-profits.**

Several eighth-grade students organized a fundraiser and raised money for Golisano Children's Hospital. When asked why Golisano, without hesitation, the students said it's because of all the work the hospital does for children.

The Girls Basketball team jumped on board, too, and arranged a fundraiser for Golisano at their final game before the Christmas break.

The hospital received two checks, totaling \$238.75, from the students at Bishop Ludden as a way of thanking the entire Golisano team for their service. Jenny Dickinson, to whom the checks were mailed, is also a Ludden grad!

Bishop Ludden will also be delivering a donation of \$85.25 as well as food pantry items to St. Lucy's.

“ **A**nd now these three remain: faith, hope and love. But the greatest of these is love.

1 Corinthians 13:13

### Ludden celebrates Catholic Schools Week

Students, staff, and faculty enjoyed celebrating Catholic Schools Week (Jan. 31 to Feb. 4) with numerous activities.

Among the events that continued multiple days included a homeroom door decorating contest (see a sampling of doors on the next page!), volleyball games between different grades, and dress down days to raise funds and pantry items for Joseph's House and St. Charles Pantry.

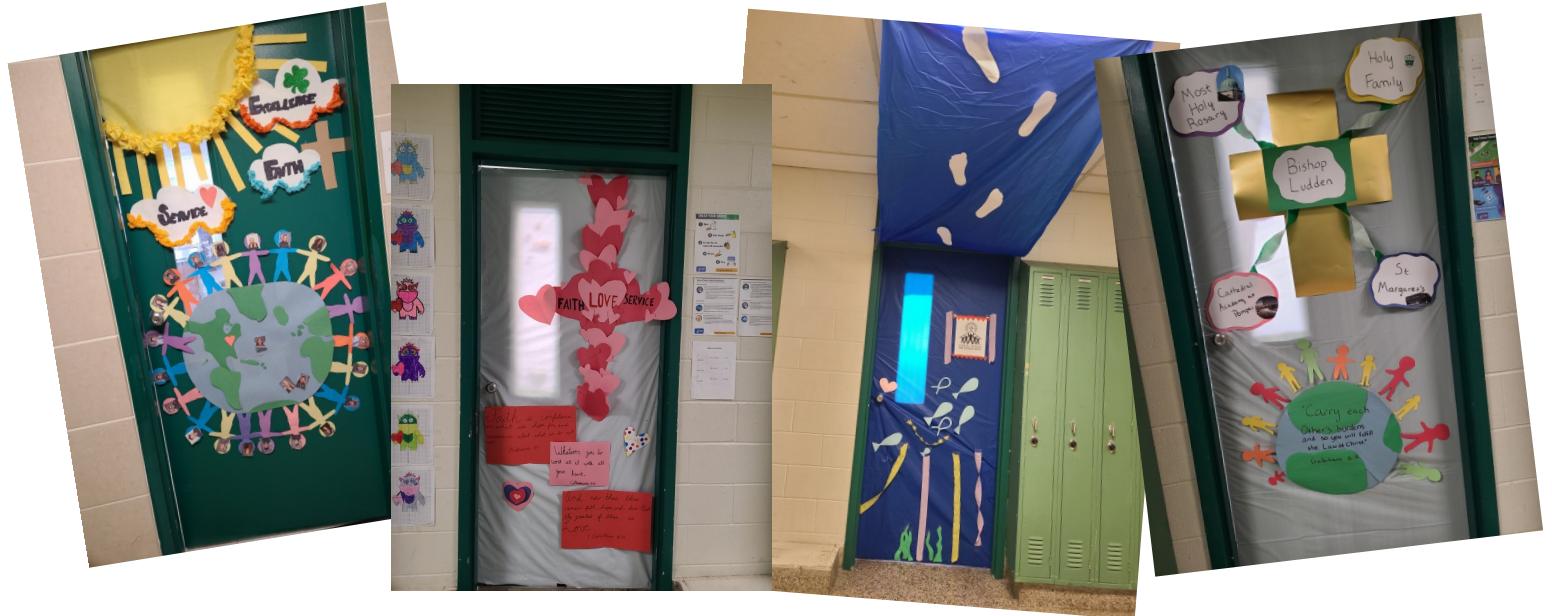

They also played a game of Penny War where kids excitedly tried to make other classes "lose" by throwing dollars and silver coins into the large pretzel jars issued to each class. In the end, everyone won as the total collected will go to Joseph's House. The total? \$815.66 to be exact. Mr. P's study hall classes were hard at work counting the coins to roll them.

*Look back and thank God.  
Look forward and trust God.  
Look around and serve God.*

## Are Chromebooks the new hard covers?

Seventh-graders in Mr. Colabufo's English class pose with their open Chromebooks. Do these portable computers take the place of paperbacks and hard covers?

Well, they're certainly not new and between traditional books to Kindles to whatever's next, one thing is for sure: reading is alive and well!

## Bishop Ludden Athletics *Philosophy*

# T

he basic educational philosophy of Bishop Ludden High School is to facilitate religious, academic, cultural, and social development. We believe that a comprehensive program of student activities is vital to the educational development of our students. The athletic program is a complete extension of this philosophy.

The purpose of the athletic program is to promote the ideals of competition, teamwork and sportsmanship while achieving the goals of success and participation in a safe and positive environment. The athletic program will help support the physical, social, and psychological development of our student athletes, as well as develop a sense of self-confidence, self-discipline, organization, decision-making skills, and goal orientation. Our program will help in the development of self-worth and a healthy self-concept regardless of the student athlete's role or play on the team.

The final role of our athletic program is to have these student-athletes carry all these values and life lessons throughout their life.

# SCRIP PROGRAM: GIVE A GIFT CARD AND EARN MONEY TOWARD TUITION!

Do you shop at Target? Walmart? Amazon? JCPenney? Marshalls? Kohls? Barnes & Noble? Do you eat at Applebees? Olive Garden? Panera Bread? Cheesecake Factory? Subway? Dunkin' Donuts? Are you planning a big home improvement project with Lowe's or Home Depot? How about making vacation plans with Airbnb? American Airlines? Hilton Hotels? Carnival Cruise Lines? Disney?

SCRIP gives you the opportunity to earn credit towards your student's tuition when you make your normal purchases from hundreds of retailers

## So, how does it work?

Think of it as substitute money. When you purchase a SCRIP, you're purchasing a normal gift card to use just like cash. But with every card you purchase, you're earning money back towards the cost of tuition at Ludden. SCRIP cards can be used for groceries, clothing, gifts, gasoline, vacations and more! Extended family and friends can also order through your student, earning your family even more credit toward tuition!

## How does buying a SCRIP generate revenue?

You order your SCRIP gift cards through the school and pay full face value for them. Bishop Ludden is able to buy SCRIP from hundreds of local and nationwide retailers through the Great Lakes Scrip Center at a discount. The discount, which varies from 1.5% to 25%, is returned to you as tuition credit for the following school year.

For example, if you purchase a \$50 gift card from a retailer that is offering a 10% discount, you have already saved \$5 on next year's tuition bill.

If you're planning a shopping trip to Target or a dinner at Cheesecake Factory, plan ahead and shop with SCRIP! Earn money back in the process — it really adds up. Families have earned hundreds of dollars towards their tuition bills.

| March 14 | March 18 |

## How do I order SCRIP?

Download and complete an order form. There is a one time \$20 set-up fee paid annually, which covers shipping costs. Send the order to school with your student on the due date (always on a Monday) and the rest is up to our SCRIP coordinator. Your SCRIP order is returned to you or your student at school the Friday of the same week.

If you will not have a student enrolled at Bishop Ludden next year, the rebate amount will be donated to the Ludden Fund.

# Ah, the beautiful sound of music

After two years of no concerts, Ludden was alive with the sound of music last month. The ensembles performed a variety of music in different styles, some of which was "general" music (for any time of year) in addition to lots of Christmas repertoire. The large, enthusiastic audience participated in a sing-along at the end, adding to the festiveness of the evening!

*Kathleen attended a mini reunion recently at Wheelers in Syracuse. As a Ludden grad, we asked her to share some thoughts and memories of her time at Ludden. Here's what she had to say.*

To begin with, I think a number of my fellow class of '76 alums have been gathering annually for a number of years. I was grateful to finally live back in upstate NY (after having been out-of-state since 1993), and therefore able to attend this mini-reunion.

I think we had about 250-260 in our class ... isn't that wild?!

We talked a lot about teachers we loved, teachers who maybe didn't love us, and some of us talked about things we did that Mr. Wilcox caught us doing (being at our lockers "off the mod", sneaking out to our cars in the parking lot ...) nothing really earth-shattering, but there was lots of laughing — especially because Gerry was there to share the memories as well as the laughter!

The friends we made, and the fact that so many of us are still so glad to see each other, although infrequently at best, is what we talked about most and are most grateful for.

## Memories from previous page

My husband and I have moved 19 times, and had addresses in seven different states (most of the moves were related to his job), but because of our experience of having attended Catholic grammar schools, Catholic high schools, and Catholic college (we met at Niagara University), we knew we'd enroll our kids in Catholic schools as well. As a graduate of a Catholic high school, I was incredibly well-prepared for the academic rigor of college courses, and I saw the same hold true for our four kids as they all went on to college (and are now grads and gainfully employed in the real world).

I'd encourage all parents to take advantage of the educational opportunity that Bishop Ludden provides, because I KNOW that it will prove itself to be valuable throughout their children's lives. The values of the parents will be upheld and supported by Ludden; the academics will prepare them well for college and beyond; the theology classes will stay with them forever; and they will treasure the friends they make and the teachers who care about them. All of this will be true, even if the kids don't recognize it until years later.
