HAPPY RETIREMENT!

Tom and Suzanne Pietropaolo

More affectionately known as "The Ps," Tom and Suzanne are retiring from their combined career of almost 80 years at Bishop Ludden. They have educated countless students (and former student's students) in the history and French departments, and Tom has been a dedicated coach and leader in the performing arts department. Bishop Ludden would not be where it is today without the Ps and we wish them all the best as they become our favorite world travelers.

Kristin Schoeneck

After heading our counseling department for eleven years, Kristin will be enjoying a well-deserved retirement. Kristin has been an extraordinarily kind and dedicated member of our staff and her unique persistence in ensuring our students are cared for has made Ludden whole. We hope Kristin enjoys a restful retirement!

Michael McAuliff

While Michael has spent over thirty years in education, his past three years at Ludden have been his favorite, and he has certainly left a defining mark on Ludden as he transitions into retirement. Michael has been a principal that greets his students in the halls, is present at sporting events, and puts his all into his work. Bishop Ludden thanks Michael for his service to our school and we wish him the happiest of retirements.

Celebrating the Deacon Dentist: Bob Fangio

Deacon Bob Fangio, a class of 1974 graduate, has spent the past ten years bettering our community through a dental ministry, the Amaus Dental Clinic, that has provided \$1 million dollars of free dental services since the program's inception in 2014. Read the complete article about the amazing volunteers from the Cathedral of the Immaculate Conception in [The Catholic Sun](#).

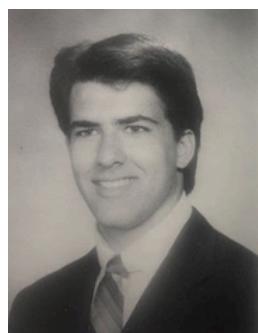

"As a deacon, you know ... you want to be humble. But there is this sense of real pride in what has been accomplished here," he said.

Ordination of Jeff Dixie, Class of 1987

Jeffrey Dixie, parishioner at St. Francis Xavier in Marcellus, was ordained as a deacon in May of this year. In June, Jeff retired from his 30-year career at West Genesee High School as a special-education teacher.

Even as a student at Bishop Ludden, Jeff Dixie had a profound faith, placing God first in his senior biography as a reminder to us all to trust in the Lord.

The call to be a deacon, he says, is "a whisper the Lord puts in your heart. Then it turns into a knock." Dixie said that while he wasn't sure this was the right path for him, the Lord kept knocking until he answered the call. Read the full article on the ordination in [The Catholic Sun](#) as we prayerfully wish him, and all the newly ordained, many blessings in their new vocations.
